

Jungle Reserve

Four bedrooms
Total area 1,720 sqm

This unique reserve offers a private pool, kitchen, study, library, spa, sauna, steam room, fitness room, and walk-in minibar amongst other luxuries.

The lush jungles of our Maldivian island enraptured us. We loved feeling lost in their wilds as we wound in and out of the tree trunks, peering through leaves, listening to the rhythms of the canopy. And so we created this very special Jungle Reserve, a gargantuan villa engulfed by the dense green forest.

The immense reserve surrounds you in nature while offering up caverns and terraces of luxurious space: three sumptuous bedrooms, huge open-air garden bathrooms, an indoor lounge with dining table for up to 10 and a separate outdoor sunken dining table just as large, an in-villa wine cellar, fully fitted-out kitchen, library, and your private spa suite with couple's treatment room, gym, sauna and steam.
