Benz

This renowned restaurant is located in a classic wooden Thai structure stilted amongst the mangroves encircling Klong Yai Kee waterfall. With a 'no-menu' dining concept, Chef Benz' vast selection of Thai dishes is inspired by ingredients produced either on Koh Kood or nearby Koh Chang and seafood that comes from local fishermen or is island grown.

The Dining Room

The uniquely styled cooking cottage offers innovative Thai and Mediterranean cuisine, in an ambience complete with Thai-style seating and relaxed day beds.

The View

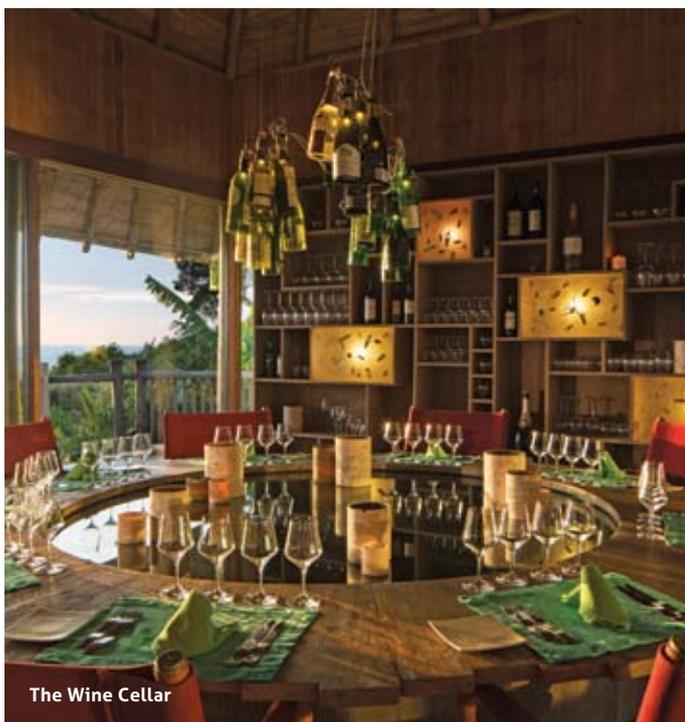

The restaurant serves modern bistro cooking with locally-sourced ingredients prepared using Western cooking techniques. Menus change daily to complement the seasons and what is best in the market.
