

## Discover Nature's Treasures with Château Angélu s at Soneva Fushi

Above the canopy of the trees under the starry sky, to the intimate underground wine cellar, discover the treasures that nature has to offer through a delightful wine and culinary experience, set before the beautiful backdrop of the Maldives. Soneva Fushi invites wine enthusiasts to explore the unique terroir of Saint-Emilion with the Château Angélu s estate, ranked Premier Grand Cru Classé (A) since 2012, the highest classification of Saint-Emilion wines given to only three other estates.

The five night experience begins with a five course degustation menu, with an exceptional wine pairing from Château Angélu s, set above the trees with an unobstructed view of the stars. Expand your knowledge with two more wine tastings with Stéphanie de Bouard-Rivoal, who will guide you along the captivating journey through her family's wines.

Join us for this extraordinary event in the Maldives, starting from just USD 14,000 for two, inclusive of a five-night stay, an exclusive five-course wine dinner, two wine tasting events, daily half board, and round trip transfers between Male and Soneva Fushi.
