

Soneva Kiri

Easter 2017

Dear Guests,

We invite you and your family to join us as we celebrate Easter with the World's Greatest Easter Egg Hunt, in partnership with the luxury chocolate brand Valrhona.

On Easter Sunday morning, we invite your whole family to search for 'wooden' Easter Eggs that have been hidden around the resort – in all of our secret hiding places! We have hidden 300 wooden eggs so there's plenty for everyone!

Once you've found the wooden eggs, you can swap them for real chocolate Valrhona eggs at the Chocolate room throughout the day at your convenience.

The most successful egg 'hunter' will be rewarded with a special prize, kindly donated by Valrhona.

Wishing you and your families peace, love and happiness this Easter.
