### **1 : Shiba Park Hotel 151 Opening on Monday, August 1, 2016**

First opened in 1948, the Shiba Park Hotel (main building) has been providing excellent services for more than sixty years. Facilities are being renovated and it will reopen on August 1st, 2016 as the Shiba Park Hotel 151.

The hotel has completely transformed to match our philosophy "Hospitality from the moment you book", with hopes for its guests to understand more about Japan, and to fall in love with our country, and

experience the true meaning of hospitality, which we call "*omotenashi*". With this concept in mind, while we are a city hotel, the Shiba Park Hotel 151 offers services to provide Japanese inn-style hospitality.

The hotel is also working to incorporate the needs of foreign visitors to Japan as it prepares for the start of business. It has invited and held numerous meetings with independent, international consultants to consider issues such as the guest room, amenities, website construction, and the types of events to offer.
